

Online offer of the month July 2015

Valid from

Wednesday 01st. July 2015 – Friday 31st. July 2015

PAROLI 100 Insulation-hole saw

First hole saw with serrated edge for really all insulation materials. Fast, very clean and circular cuts in mineral wool, polyurethane foam, deather, rubber, paper, carpet and especially in wood fiber insulation boards. The drill core is removed by the ejector in a breath. Due to the thin-walled cutting, the core can be used again.

Special price of the month
